

1. Create a timeline of the Beatles career

Ex. 1950 – The Beatles did...

1951 – etc.

Include years when possible...however, include as many important events discussed on the video as you can.

2. Choose one of the following questions and write a 3-5 paragraph essay with facts from the videos:

a. How have the Beatles influenced the history of Rock & Roll from their time through today?

OR

b. In what specific ways were the Beatles innovators? In other words, what are some ideas, techniques, etc. that they used before anyone else?
